April Rotary Bulletin 2025 Environmental Month

From the President

We have had a busy month, with members doing all sorts of community and club service, as well as fundraising. The bookshop is going along smoothly with Phil Hill solving the key problem by purchasing a key lock. **A prize of a free book** to anyone not on the roster that knows when Phil's birthday is. Claire Hill is ineligible!

Sue leads the team for the Geeks BBQ, and this year it is off to a great start. Ann Cook and Anthea MacTiernan involved us in a Trivia Night at the Preston Town Hall, which raised over \$17,000 to support an Afghanistan refugee family for 12 months. Judy McWilliams spoke to the Rotary Club on how this project evolved from the CRISP initiative by the Federal Government. This encourages ad hoc groups to come together to support refugees. Ann will be hosting them in her own home.

Joy Millen invited David and Deborah from the Ballarat West Rotary Club to present the work they have done in both the Solomon Islands and Tonga, over a sustained period of time. What a difference their projects have made.

For club service, Rhonda Millman hosted a pool party on Labour Day for those who could attend. The weather was right for it, hot! And the water was perfect. Thank you, Rhonda. Rhonda is also looking into whether we can get a weekend away to Queenscliff and a trip on the Blues Train.

We are getting to the serious business time of year. Thinking ahead to our Changeover. Nominations are being sought for **President and Secretary**. Wallace has put his hand up to be Treasurer again. Thank you, Wallace. If you think you would like to be mentored into one of these positions, then please let me know. Do not be shy! You will be surprised how rewarding it can be.

NEWS FLASH!!!! Please buy raffle tickets from Jonothan Thick. This is a great initiative on his part and very generous of him to organise. This money will go towards our Club's contribution to Foundation. Foundation is the Rotary Charity, which supports many overseas projects, which may include End Polio.
