CHANGEOVER

North Fitzroy Arms July 2nd

A successful Changeover was a wonderful way to start the new Rotary year. The North Fitzroy Arms provided a lovely lunch as well as cheese platters and could not do enough to ensure that the day was very successful. Special thanks to Fergus who assisted with the organisation of the day. Around 38 people attended, and judging by the laughter and conversations, a good time was had by all. It was very relaxed function, which after Covid shutdowns everyone appreciated.

A special thanks to Anthea, President from 2020-2022. Anthea did an amazing job keeping Fitzroy Rotarians informed and engaged during a very difficult Covid time. Fitzroy Rotary hopes to continue the school and community projects initiated by Anthea.

Thank you to everyone, and cheers to Fitzroy Rotary.

President Sue.

President Sue's Report

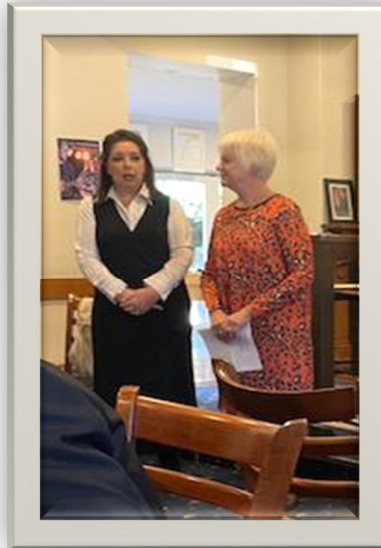

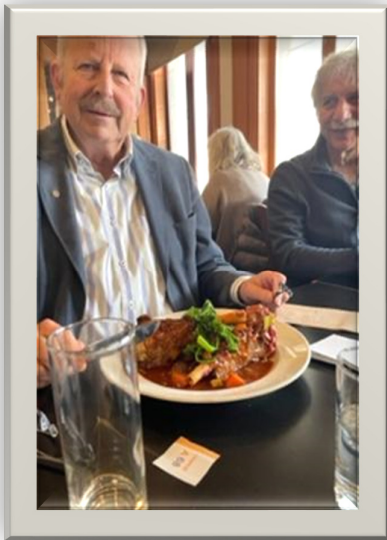

A new Rotary year begins. For the last two years Anthea has ensured that Fitzroy Rotary members have stayed connected and informed. Anthea has worked hard to establish important links with the local community, and as a result Fitzroy Rotary has supported students from local schools in the area of Youth Leadership, and has also given financial support for equipment and camps etc. It is my aim to continue supporting local schools and continue the relationship that Anthea has established.

After over two years of Covid and the resulting destruction it has caused. I aim to continue Fitzroy Rotary's connection with the community.

Solid fellowship and a spirit of fun and enjoyment are the cornerstones of the Clubs continued success and retention of members. Re establishing the Fitzroy Rotary Bulletin,

will be one way of keeping members informed and engaged in projects. The Bulletin and the Website/social media will also promote our success stories and social activities.

Thank you for member's support, and especially the support of the Board. I look forward to being President from July 2022.

Beverley's Report 'Christmas in July'

A wonderful evening was enjoyed by 44 attendees. It was terrific to see members of the Scouting Community and some Scouts in attendance. Richmond Rotarians also supported the event. Thank you to all Members and friends who supported this Annual Fundraiser for 1st Fitzroy Scouts. A very informative presentation was given by 1st Fitzroy Scout Leader Lachlan Preston and three of the many Scouts in attendance. It was interesting and enjoyable to hear of their varied experiences in Scouting. Of interest also was that two of the Scouts attended a Jamboree at Elmore with financial assistance from our previous fundraiser.

Chef Steve and the Bowling Club staff looked after the guests and admirably presented a delicious two-course Christmas meal.

In particular I would like to thank President Sue for her support for the function and helping decorate the tables, Stefan for designing the Flyer, Pat and Joy for all the assistance behind the scenes plus being on the desk and raffle selling. I would also like to thank Barrie for his computer designs for table information and visual displays and assistance with the guest speaker.

The final figure raised is yet to be confirmed but will likely be close to \$1000 combining monies raised on the evening plus \$270 donation from Friends of Scouts. The raffle and door prizes were a great success with thanks for the prizes donated by Kieser, Jonathan Thick, Sally Glover, Joy Millen, Anthea McTiernan, Ann Cook, Coquette Clothes and myself. Peter Don was acknowledged as he once again facilitated a \$1000 grant to the Scouts through the Officer Training Unit Association of which he is a facilitator.

I always enjoy organising and participating in this event and look forward to your continuing support for such a worthy cause.

Beverley with her cousin and sister-in-law who have both supported the “Christmas in July” fundraiser over the years. Thanks to all those others who have participated in the function.
