President Sue's Report

What an interesting year I have had as President of the Fitzroy Rotary Club. 2020 will certainly be a year to remember. The year started with a happy return to the Bowling club after the Christmas break. Speakers for the rest of my term as President were organized, plans were made, and goals set. We had guest speakers who informed us about the upgrade of the sporting area of the Edinburgh Gardens, and the wonderful work that the Friends of Merri Creek do. We did what Fitzroy Rotary does so well, and that is assisting to raise funds for worthwhile causes. The MS Mega-swim was the most successful ever, and as always Fitzroy Rotary was on hand to assist. Then the Corona virus happened. It proved that only a pandemic could stop Fitzroy Rotary Club from meeting, but it could not stop our sense of fellowship and community spirit. Zoom helped us meet, albeit virtually, and even enabled us to hear about the FootScape Project, and the future plans of Melbourne's transport system.

Fitzroy Rotary is now back at the Bowling Club. The 22nd June was my last Rotary meeting as President. I would like to thank everyone for their support, guidance, friendship and commitment. It has been a privilege working with you.

**Thanks to Sue from all of us for your great effort as President
in 2019-2020 Rotary year.**

Our first night back on June 15th saw everyone seated according to corona virus rules. Everyone was happy to catch up and be back to some form of normality.
