Welcome to the new The Rotary Year

President Denise's message

It is that time in the Rotary calendar that there is a changeover of Presidents. I wish to thank most profusely the (now) Immediate Past Presidents, Sue Moses-Critchley and Joy Millen.

Sue has served as President for three years and was commended by both her Co-President, Joy and the entire membership of Rotary Fitzroy for her work in the local community and in club service. Many clubs lost a large proportion of their membership, during and post- Covid. Fitzroy held their own. Congratulations on your well-deserved Paul Harris Award, Joy too, has put in a great effort to maintain the club and support its service work in a myriad of ways. I know she will continue to do so, especially in her role for Foundation, which she shares with Jonathan Thick (or JT, as we know him).

44 Rotarians, family and friends, attended the Changeover luncheon. This is an excellent sign that Rotary Fitzroy will continue with the momentum built by past presidents.

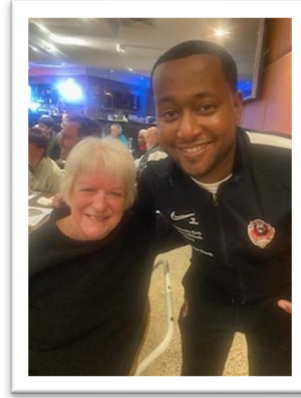

You are all invited to join us again for the annual special event hosted by Beverley MacFarlane—'Christmas in July', a fundraiser to support Fitzroy Scouts, who will be in attendance!.

Q: Do we have to pass a test on tying the knot? See you there.

The captured audience.

A big thank you to Joy and Sue for their role as Co-Presidents for the 2023-2024 rotary year. The concept of two people sharing the President role worked well. In the future we may again work this role as a shared position. The Changeover lunch was very successful. The food was good and the venue was a great size for what we required.
